Office of the President,
Shimoga Town Municipality,
Dated 28th December 1916.

From

A. Subramanya Iyer, Esquire, B.A.,
President, Shimoga Town Municipality.

To

B. Ramaswamaiya, Esquire. M.A., B.L.,
Secretary to the Government of His Highness the
Maharaja of Mysore, Revenue Department,
Bangalore.

Sir,

I have the honor to state that bye-laws relating to slaughter houses as framed by the Shimoga Municipal Council and submitted to Government for sanction were returned by Government in 1912, vide their Order No. 9921/ M1 240-10-10 dated 16th June 1913 suggesting modifications in some respects

R

2. Since no slaughter houses then existed in the town, the passing of the bye-laws was kept in abeyance pending the construction of the slaughter house then under contemplation.

3. A sheep slaughter house at a cost of Rs 2,740/- having since been completed, the bye-laws were further considered by the Council in their meeting on 28th October 1916 and referred to a sub Committee The draft bye-laws were revised by the Sub Committee and placed before the Municipal Council at their meeting in November 1916 These bye-laws as now approved by the Council are submitted herewith for favour of sanction by Government.

4 Since it is the business of the Municipality to keep

keep the floor and walls of the slaughter-house in a tidy condition, and as the Council do not intend to throw this responsibility either on the butchers or on the slaughter house farmer, no bye-laws for enforcing lime-washing or cleaning the premises have been introduced as suggested in para 2 of the Government Order quoted in para 1 supra.

3. At present an octroi duty of one anna on each head of animal that is brought into the Town limits for consumption, is levied by the Municipality When the slaughter takes place in the slaughter-house, the municipality has to bear an additional cost by appointing a watchman for watching the slaughter-house and daily cleansing the place, and additional expenses incurred for periodically repairing the floor and lime-washing the walls. To meet this extra cost, the Council resolve that a fee of one anna per head may be levied on the animals slaughtered in that building. As this proposal is fair, and as the use of the slaughter-house is a great desideratum from a sanitary point of view, I request that you will be so good as to obtain the sanction of Government for the same.

4. The copies of the resolutions bearing on the subject are enclosed herewith

I have the honor to be,

Sir,

Your most obedient servant,

Venkatacamay.

K.S. Shimoga Town Municipality
